WORK EXPERIENCE

Aarnatech Xperts Solutions **Aug 2024 - PRESENT** Web Developer · Lucknow, India

- **Laravel Backend:** Develop and optimize Laravel backend modules, improving maintainability and reducing feature turnaround time.
- **REST APIs:** Design and build secure, well-documented token-based REST APIs in Laravel, consumed by mobile and web applications.
- **Database Performance:** Improve database query performance and redesign schemas to scale under growing user load.
- **Deployment:** Manage VPS and server setup, deployments and code versioning through Git, GitHub and Bitbucket.
- **Integrations:** Integrate payment gateways and third-party APIs across client platforms.

Lookupit Solutions Pvt. Ltd. **Jun 2022 - May 2023** Web Developer · Lucknow, India

- **Admin & CRM:** Built admin dashboards, custom CRM features and workflow automation modules to streamline internal operations.
- **Access Control:** Implemented authentication and role-based access control (RBAC) across multiple client applications.
- **Production Support:** Managed end-to-end deployment, bug fixing and performance optimization for production systems.

Nevina Infotech Pvt. Ltd. **Dec 2021 - Mar 2022** Junior Web Developer · Lucknow, India

- **Backend Development:** Assisted in backend development and API creation using PHP and Laravel.
- **Code Quality:** Fixed bugs, improved UI functionality and took part in peer code reviews.
- **Foundations:** Gained foundational experience with MVC architecture and professional coding standards.

KEY ACHIEVEMENTS

- **30% faster delivery:** Cut feature turnaround time by 30% through optimized backend development.
- **40% faster queries:** Improved database query performance by 40%, making the system more responsive.
- **10 secure REST APIs:** Developed 10 secure REST APIs for cross-platform (web and mobile) use.
- **5k+ monthly users:** Built backend systems for a platform with 5k+ monthly active users.

PROJECTS

Eybos **Laravel · RBAC · Payments** eybos.uk

- Multi-role business and charity platform with payment processing, donation management and role-based user dashboards.

Plenty Music **CodeIgniter · QR Code · Flipbook** plentymusic.uk

- UK sheet music platform with downloadable scores and accompaniments, a credit system, QR code generation and flipbook creation.

101acres **Next.js · Ionic React** 101acres.com

- Real estate platform with property listings and nearby search.

Eliteweds **Next.js · Ionic React** eliteweds.com

- Matrimony platform for web and mobile.

Shriecom **Laravel · Ionic React** shriecom.in

- E-commerce platform with online payments.

Yama **Laravel · REST APIs** Live

- End-to-end backend API development for a multi-level marketing (MLM) system, including commission and network logic.

DICOM Medical Imaging App **Laravel · Ionic React · Capacitor · Orthanc**

- Cloud-based medical imaging app with a DICOM viewer, image uploads and Orthanc integration.

Aarnexai **Next.js · Ionic React**

- AI-focused web platform with social account connect and analytics.

Torah Nuggets **Laravel · REST APIs**

- Full backend API development for a content publishing platform.

Lookupit Solutions **Web** lookupitsolutions.com

- Company website with services, portfolio, client feedback and blog sections.
